

Validate & Update Insurance for Every Car Buyer With a Simple **50 Seconds** Consumer Process

1

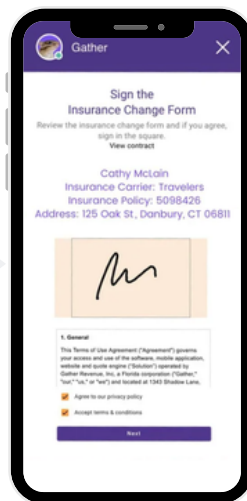

Salesperson texts the Deal # or VIIN # to "Update" & is returned a link to a QR code*

2

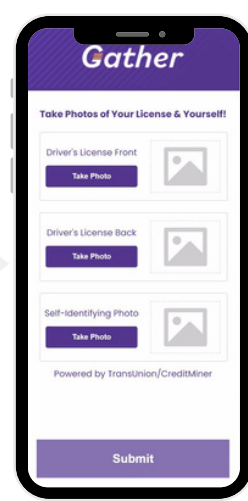

Customer scans the QR code with their phone

3

Customer signs the consent form

4

Customer takes photos of their drivers' license, their insurance card, & themselves

5

Gather Produces the Insurance Documents You Need to Deliver the Vehicle With Confidence

- The consumer is who they represent themselves to be
- The consumer is not a fraud risk
- The consumer has active insurance coverage

The Benefits Are Clear:

- Protect your dealership from fraudulent consumers
- Ensure your proof of insurance process is Safeguards compliant
- Prevent insurance agents from poaching your F&I sales
- Save your dealership countless hours of administrative time
- Get coverage for uninsured drivers through Gather's partnership with RightSure - specialists in the "difficult to insure" category

Gather is an entirely digital solution that can be set up in your dealership with just a one-hour video conference, including training your team.

Get started with Gather today.

Experience the power of Gather today and say goodbye to the old proof of auto insurance process once and for all. Schedule a meeting with our sales team to get started.
